To enable pop-ups on Google Chrome:

2. At the top right, select the three dots  then select **Settings**.
3. At the bottom, select **Advanced**.
4. Under "Privacy and Security," select **Site Settings**.

6. At the top, turn the setting to **Allowed** to disable the pop-up blocker altogether.

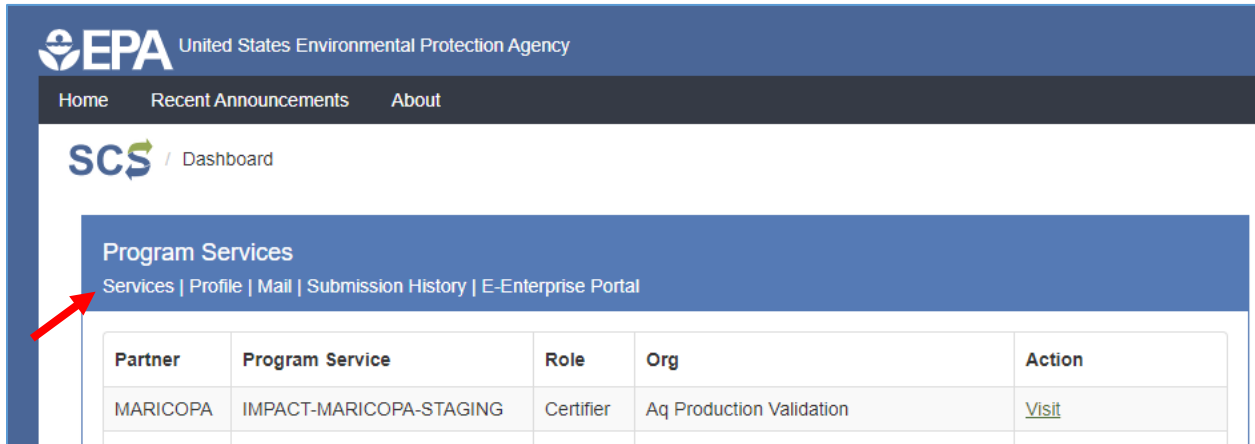

Once you have accessed the EPA's SCS electronic reporting site, enter your log in information and select **Log In**.

A large banner image of a tree is on the left.
