

End of Life Resources

Thank you for reaching out to Maricopa County Animal Care and Control (MCACC) for resources to help keep your beloved pet(s) as part of your family. Responsible pet ownership is a community issue that requires community support.

While MCACC provides resources and contact information in the spirit of helpfulness, they are not endorsements. Our community has hundreds of organizations that may have merit and could provide assistance to you and your pet(s) in a time of need. These organizations do not provide MCACC with updated information. Please contact each resource directly to determine if they will be able to meet your needs.

Regarding pet burial: In most of Arizona, it is against the law to bury a pet in your yard. However, the law varies city to city, so it is best to check with your local government before making a decision. In most cities, it is legal to dispose of a pet, up to 70 pounds, in your trash container. Many cities also allow for communal pet cemeteries.
