Subject: Final Jail Per Diem Billing Rates for FY 2011-12

The purpose of this memorandum is to provide the Final Jail Per Diem Billing Rates for FY 2011-12. The following table illustrates the Per Diem Rates, effective July 1, 2011:

| Jail Per Diem Rates | FY 2011-12 |
|---------------------|------------|
| Housing Rate | \$73.54 |
| Booking Rate | \$188.48 |

As in prior years, the housing and booking per diem rate calculations are based on FY 2010-2011 budgets for the Maricopa County Sheriff's Office and Maricopa County Correctional Health Services. However, the County is currently in the process of reviewing expenditures for the Detention Operation Fund. The outcome of this analysis could affect the rate calculation and thus, the rate is being held flat until this analysis is complete.

The FY 2011-12 preliminary housing and booking rates were provided on December 1, 2010 and the final housing and booking rates remain unchanged from that notification. As recommended by the MAG Incarceration of Municipal Prisoners Stakeholders Group in February 2008, Maricopa County is providing the jail per diem rates as early as possible during the fiscal year to assist in the budget planning process.
