Dear Sir or Madam:

Your existing Air Quality permit expires on 12/31/2016. To continue operating your facility with a valid Air Quality permit, you must file an application for a permit renewal. In order to process your application in a timely manner, please submit a permit renewal application at least 6 months, but not more than 18 months, prior to the date of permit expiration so that the Department can review the application, provide public notice and issue a permit before your existing permit expires.

A blank permit application form is enclosed for your completion. If you have any questions regarding this application, please contact Todd Martin at (602) 506-7248.

Sincerely,

Philip A. McNeely, R.G.  
Director, Air Quality Department

## Notice of Regulatory Reform

In accordance with A.R.S. §11-1604:

A. A county shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule, ordinance or delegation agreement. A general grant of authority does not constitute a basis for imposing a licensing requirement or condition unless the authority specifically authorizes the requirement or condition.

B. Unless specifically authorized, a county shall avoid duplication of other laws that do not enhance regulatory clarity and shall avoid dual permitting to the maximum extent practicable.

C. This section does not prohibit county flexibility to issue licenses or adopt ordinances or codes.

D. A county shall not request or initiate discussions with a person about waiving that person's rights.

E. This section may be enforced in a private civil action and relief may be awarded against a county. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against a county for a violation of this section.

F. A county employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the county's adopted personnel policy.

G. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
