

Market Range Detail - Director - Emergency Management

Effective Date

December 5, 2016

Market Range Title Description

This position functions as the department head and is responsible for the overall management and direction of Maricopa County's Emergency Management Department. The Director is responsible for planning, directing, implementing, and achieving department strategic goals and objectives related to the department's mission of providing community-wide education, planning, coordination, and continuity of government for the people of Maricopa County in order to protect lives, property and the environment in the event of a major emergency. Additional responsibilities include: overseeing all emergency management programs and services; planning and directing the implementation of County-wide policies and programs; evaluating the need and effectiveness of all department programs and services as related to emergency preparedness; analyzing and resolving complex and/or highly sensitive issues; analyzing the impact of existing and proposed legislation and providing recommendations to County management; advising the County Manager, Board of Supervisors, and other County management on policies, issues, and concerns related to emergency management; analyzing and directing complex studies and projects to achieve increased efficiency; managing subordinate managerial and/or supervisory staff; directing the preparation and approval of the department's budget; overseeing all department personnel actions and issues; working closely with other jurisdictions and organizations on issues related to emergency management. The Director reports to the Assistant County Manager of Regional Development Services. This position is responsible for recommending the Board of Supervisors declare a public emergency.
