

Market Range Detail - Director - Public Health

Effective Date

February 10, 2010

Market Range Title Description

This position functions as the department head and is responsible for the overall management and direction of Maricopa County's Public Health Department related to communicable diseases, chronic disease prevention, the abatement and quarantine of public health environmental issues, the maintenance of vital statistics, public health education and the delivery and dispensing of public health services mandated by state statutes and Maricopa County Board of Supervisors to the citizens of Maricopa County. The Director is responsible for planning, directing, implementing, and achieving department strategic goals and objectives related to the department's mission of providing leadership, resources, and services to people and diverse communities in Maricopa County so that public health is promoted, preserved, and protected. Additional responsibilities include: overseeing all related programs and services; serving in an ex-officio capacity to the Board of Public Health; planning and directing the implementation of County-wide policies and programs; overseeing department billing procedures and processes, and health care partnerships with community providers, negotiations of partnership contracts, agreements and grants; reviewing clinical practice via medical record audits, peer review and other practice review activities; ensuring quality in the development of practice guidelines, staff development and clinical practice; evaluating the need and effectiveness of all department programs and services; analyzing and resolving complex and/or highly sensitive issues; analyzing the impact of existing and proposed legislation and providing recommendations to County management; advising the County Manager, Board of Supervisors, and other County management on policies, issues, and concerns related to department services and programs; analyzing and directing complex studies and projects to achieve increased efficiency; managing subordinate managerial and/or supervisory staff; directing the preparation and approval of the department's budget; overseeing all department personnel actions and issues; working closely with other jurisdictions and organizations on health related issues and concerns. The Director reports to the Deputy County Manager.
